Good to Meet Together

Isn't it good that we can continue coming together each week to learn and worship through our Sunday School and preaching services. The Lord will bless you for coming today.

Our Guest Speaker

We are very happy to have Tyler and Emily Brantley with us today. They are preparing to be missionaries to

Argentina.

Their desire is, "to go and make the name of Christ known throughout Argentina and begin an association of churches in that country that will send more missionar-

ies out into the world.

They will be sharing their plans during part of our Sunday School time and then Bro. Tyler will be bringing the morning message.

As you leave this morning an offering will be received for Tyler and Emily.

"Cling to the whole Bible, not a part of it. A man is not going to do much with a broken sword."

- D.L. Moody

Tidbits of Truth

Matthew 11:28-29 - *Come unto me, all ye that labor and are heavy laden, and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls.*

Have you ever been by the bedside of someone, either in the hospital or at home, and watched as they struggled to get some rest? Or, maybe like some of our men working extra around the church, you seem to not be able to get any rest. There are many things that keep us from resting physically; but what about spiritually.

Christ bids us amidst our labor for Him to find rest in Him. Note what He says we must do to find rest in Christ.

First, we must come to Him. We try so many other things in life to bring about the rest and comfort that we need. Christ says we simply must realize that apart from Him we will not find true rest. Once we realize the source of our rest, we then must place ourselves at His feet allow Him to do His bidding.

Second, Christ makes reference to the fact that rest comes to those who have been truly working. Resting in Christ does not necessarily mean a cease from our labors, but allowing Him to be in control of our labors.

Third, He says that rest comes when we team up with Him. To be "placed in the yoke with" carries the picture of working alongside of.

"Learn of me"

makes a reference to the fact that we need Christ to teach us His way of doing the work and carrying the burdens. As we work yoked with our God, He shoulders the cares and the burdens along with us making them bearable. Now we rest in knowing that we can make it for our Savior is right there with us.

Let's quit worrying about the work He has called us to do and rather come to Him, allowing Him to instruct us in the way we should go. When we labor with Him, we will accomplish more and yet find more rest.
