## Welcome to Worship

We welcome all of you to our services on this Father's Day. There is no better place to be this morning.

Visitors, it is very good to have you with us.

## Church Business

Wednesday night a motion passed to have Roy Conrad re-shingle the church buildings. The estimate was approximate \$14,000.00.

The only help our insurance company, Church Mutual, would give was less than our \$1,000.00 deductible. Therefore, they are paying nothing.

## Happy Father's Day

We hope today will be a special day for all our fathers. May the Lord bless each one of you.

This is also a good time to reflect back on our own Christian father and thank and praise the Lord for him and for the positive influence he had in our lives.

A good friend gave me some very good advise many years ago. He encouraged me to, "Spend as much time as possible with your parents because they will not be with you always."

So if your father is still with you, you are encouraged to call or see him as often as possible. For many of us the time has come when that is no longer possible. Then his wise counsel, sharing of knowledge, and good times together are gone. So cherish and take advantage of the time while you have it. - WC

## To Our Fathers

In honor of Father's Day it's time to pay tribute to all the dads out there who've made a lasting impact on our lives.

Here's to the biological, adoptive and foster fathers.

Here's to those who've played the part, even without the title.

Here's to all the father figures out there that have helped us become all we are.

We celebrate you, just as we celebrate the younger generations of dads currently raising their own children.

To the dads of us grown-ups, may we recognize the fruits of your labor and see the impact you've made on our lives and those of your grandchildren.

For the younger dads, may you always strive to do right for your children - so they in turn, will do the same with theirs. - copied

## A Prayer for Dads

On this Father's Day, here is a quick prayer to honor dads, husbands, sons and all the men in our lives. Let's praise God for placing these honorable, kind, gentle souls in our paths for His loving light to shine through, providing us with a beautiful example of what it means to live for God.

Dear God,

Thank you for all the fathers and father-figures in this world and for the many ways you use them to lovingly guide others to Your heart. I ask that you would bless them and give them great joy and peace. May they see You and know You in new ways. Show them how much you love them and care about them. Guide their steps, use their hands, and make them a blessing to others as you continue to fulfill your special purpose for their lives. Amen.
